As stated in the last communication, Waikerie High School would like to poll all parents on their thoughts of a ‘student owned’ device. Below is a series of questions to help gather your thoughts on the program. Attached is the sheet that went home with reports.

It is important to fill out this form and return it to your child’s home group teacher as we value your feedback. The feedback you provide will help with future development in the process.

Please circle your answer and if necessary offer feedback where required.

1. Will you be purchasing the device? Yes  No (If you circled No, please provide feedback below and then go to question 3)
   If not, why?

2. What package are you interested in?
   a. Buy Outright
   b. Buy Outright with Accidental Damage supplied by Dell
   c. Purchase with a Payment Scheme by Staples
   d. Purchase with a Payment Scheme by Staples including Accidental Damage supplied by Dell

3. What are your main concerns from the parent information night or from the information letters?

4. Do you have a wireless internet connection at home? Yes  No

5. Is there any other 1:1 student owned laptop programs that you are aware of that may need to be investigated? Yes  (If you circled Yes, please provide feedback below)  No

6. Is there anything else that you would like to add?

Please sign and return to your child’s home group teacher by: Tuesday 1st November 2016
