COMPUTER USE AGREEMENT AT SCHOOL AND TAKE HOME

Student Agreement

I have read and understood the Computer Use Agreement booklet, incorporating cyber-safety (for more information see the attached Cyber-Safety Strategies at Waikerie High School outlined in the booklet), and I am aware of the school's initiatives to maintain the care, use and management of computers in a cyber-safe learning environment. While at school, students are only to use the schools' internet for school based purposes due to Cyber-Safety concerns and correct filtering systems to protect student's at the school. I understand that failure to comply with the Device Use Agreement could result in student's device being removed as per documented procedures on the attached sheet and the student not being able to bring their own device to school.

Parent/Caregiver Agreement

I have read and discussed this Computer Use Agreement with my child, incorporating Cyber-safety (for more information see the attached Cyber-safety Strategies at Waikerie High School outlined in the booklet) and I am aware of the school's initiatives to maintain the care, use and management of computers in a cyber-safe learning environment. I understand that the failure of my child to comply with the Use Agreement could result in behaviour management processes of the school being invoked.

I have ensured that this Use Agreement has been signed by my child and I am aware that by signing and returning this form that the school has no responsibility or liability of the students' personal device and the costs associated with repairs, insurance or replacement of the computing device will be the responsibility of the student or parent/guardian. I have evaluated my personal home contents and car insurance to cover equipment on loan to my child, in the event of loss or damage to such loaned equipment while in the care and custody of my child.

I am aware that signing and returning this form constitutes a commitment to pay in the event that there are costs associated with repairs or replacement of on loan computing devices damaged while in the care and custody of the student. Waikerie High School's policies relating to the recovery of debts will apply. (Some home and car insurance polices purchased by the parent/caregiver may cover such events.)
