Welcome back everyone to the 2016 school year. To our new Year 8 students and families a special welcome. Continuing on from our Transition program last year we will get to know you more through our Year 8 “Adelaide” Camp in Week 4 and subsequent school events and Student Parent Teacher interviews. In Week 3 we are running an Aboriginal Cultural Camp to Adelaide in which our indigenous students will travel to Adelaide to take part in programs of cultural awareness and visits to Universities and TAFE. On their return they will take part in a family BBQ at the school. Building these very strong relationships early in your child’s secondary education is very important as it is a key element of their success.

Last year was a very successful year for Waikerie High School. Congratulations to all our students on their achievements and the staff and parents who have supported them in their learning. In particular our Year 12 students. Our Year 12 students achieved very successful SACE results and the following for their outstanding efforts:

- Chris Tyler (ATAR = 98.25) – acceptance into Medical Science
- Jessica Uppal (ATAR = 92.10) – acceptance into Medical Radiation Science
- Allanah Woollatt (ATAR = 90.25) – acceptance into Paramedic Science
- Many students have received their first round entrance to courses of further study.

I would also like to take this opportunity to welcome two new staff:

- Ms Emily Griggs Assistant Principal – Middle School
- Mr Tim Werner – ICT Administration Network Manager
- We also farewell Mr Michael Lawrie and wish him well for the future.

Teachers returning from leave in 2015:

- Ms Jane Griffiths HASS/History
- Ms Erin Nettelbeck PE/ Biology

The Senior Leadership Team is made up of Mr Craig Griffiths (Assistant Principal Senior School) and Ms Emily Griggs (Assistant Principal Middle School), along with Ms Elizabeth Golding Business Manager and myself.

Our Goal for 2016 is about going from “Good to Great”. Our plans include a focus on further developing:

**Powerful Partnerships between Staff/Parents/Caregivers/Students and the community**

- I encourage you to become involved with your school:
  - School Council AGM 18th February 7:00pm
  - Canteen roster – ring Marion or reception
  - Volunteering – ring reception
- Attend Student/Parent and Teacher interviews (held beginning Term 2 + end of Term 3)
- Consult your child’s diary, it has a wealth of information
- Contact your child’s Home Group teacher, teacher, Year Level organiser (YLO), subject
Coordinator or a member of the Senior Leadership Team should you have any issues or concerns (I have supplied a list for easy reference)

**Students as Powerful Learners** - presenting themselves each day to a positive success oriented working environment:

- Regular attendance, and if your child is away please ring us to let us know and write an appropriate note in the back of their diary
- Prepared and organised: being ready for challenges with all their materials
- Up to date with work and using tools like their diary effectively
- Wearing the full school uniform. (A Governing Council approved school expectation)

**Active and successful community citizens:**
Being involved with school and community activities. Representing their school, family and community in their best possible way in any forum.

I look forward in working with our staff, parents, and students to ensure that we provide a success oriented school environment.

---

**Drop off and Pickup from school**

Morning and Afternoon drop offs / collections.

The school requests that all parents / caregivers use the Recreation Centre car park to drop off their children in the morning and collect them in the afternoon. We ask that parents / caregivers do not collect their children from outside the Administration building or TAFE car park. This creates the potential for an accident and this has happened in the past. Your child’s safety is paramount.

**Car Parking**
Please do not park in the staff car park area, located along Blake Road. There are temporary car parks outside of the Administration building if you need to see the administration staff for any reason or have a meeting with a teaching staff member. We would be very appreciative if all parents / caregivers can support us in this process.

**ASSISTANT PRINCIPAL - SENIOR SCHOOL**

All students now have a settled timetable and have started their studies in chosen subject areas. It is important our senior students check their SACE progress to ensure they are on track to complete their certificate. The compulsory subjects (PLP, Maths, English and Research Project) must be completed to a satisfactory standard. To check, simply go to the SACE website at [www.sace.sa.edu.au](http://www.sace.sa.edu.au) and look at ‘students online’.

Last year we had some fantastic results. Many students have been accepted into their first preference university course, some are continuing with their VET pathway and entered into their trade while some have moved directly into full time employment. Congratulations to our top ATAR ranking students:

- Chris Tyler 98.25
- Jessica Uppal 92.10
- Allannah Woollatt 90.25

We are looking forward to working closely with students and parents this year. Senior classes have already been working on assignments and have a good start from the information sessions we ran at the end of last year.

Wishing all our students a successful 2016.

Currently at Waikerie High School I am teaching Year 8 Design and Technology and Year 9 Home Ec. Developing and monitoring student welfare, Leading the HASS Faculty, Continuing to develop community partnerships are among some of my other roles for this year.

**INSTRUMENTAL MUSIC 2016**

The Instrumental Music Teachers will be holding a come and try session for any students interested in learning a musical instrument (not including voice or piano) in 2016. The session will be after lunch on Monday the 15th February (Week 3). Year 8 students will receive a letter with a consent form that needs to be returned before the session. Any interested students from other year levels please speak to Mrs
Leahy. If any students miss the session they will be able to organise a catch up session with the teachers.

SAASTA ELITE FOOTBALL ACADEMY

Recently two of our Year 11 students from Waikerie High School were selected in the Port Power/SAASTA (South Australian Sports Training Academy) Elite Football Training Academy. The students selected were Daimon Barrow, and Josh Coombs, who for the next school year, will head down to the Port Power facilities every Wednesday to complete a TAFE Certificate III in Sport and Recreation, learn more about their Aboriginal culture, be mentored by current and past indigenous Power players like Chad Whingard, Jake Neade, Byron Pickett, and Wade Thompson, as well as spending half of the day training as elite footballers.

Daimon and Josh will also get the opportunity to travel with Port Power to the APY lands in the middle of the year to run coaching clinics with primary school aged students before finishing the week playing an exhibition match against a Northern Territory side before a Port Power Match in Alice Springs.

This is a tremendous achievement by the two boys, as out of the entire state, only a group of 25 Students are selected in the Squad at the end of exhausting try-outs.

Well Done Daimon and Josh, the school community is extremely proud of you both and know you will represent yourselves, your families, and Waikerie High School extremely well.

SPLASH CARNIVAL FRIDAY 12TH FEBRUARY

House captains are working hard looking at their teams after successful splash heats on Friday afternoon. If your child missed the splash heats they should ask their PE teacher to time them on Monday or Tuesday during lessons to provide comparable times to aid selection during house meetings on Wednesday. A reminder that the interschool swim team is selected based on splash carnival results, so it is important that students swim in their best events during the carnival and put in their best effort.

As always we encourage parents, family and past students to help support during the day. This may be cheering on the students and/or assisting staff with the running of the day. Please see me during the meet if you would like to assist with timekeeping.

I would like to thank the swimming pool management and the swim club in advance for their assistance and use of facilities during the day. The pool and swim club canteens will be selling food and drinks all day. The forecast is for a hot day, so I encourage students to drink plenty of fluids the night before and during the meet, wear clothing to prevent sunburn whilst not in the water, and to stay in the shade as much as possible.

In preparation for the carnival, all PE students have been training for the day during their lessons. It is imperative that students have swimming attire for Week 2. We cater for all levels of swimmers and we aim to have 100% of our PE students in the pool during lessons.

The carnival is for all students. Our students who are not confident swimmers can still have a great day being part of their house team, assisting with the running of the day, and participating in the novelty events which do not require students to be strong swimmers.

We look forward to a successful event and I wish all competitors the very best of luck.

HPE & Sports Coordinator

CANTEEN NEWS

SPLASH CARNIVAL AND SPORTS DAY

There will be canteen facilities available on these days with a range of hot food, drinks, rolls, sandwiches and wraps.

If you would like to help in the canteen on these days, please pop in.

CANTEEN ROSTER is attached. As you can see there are a lot of days where help is required. Please consider volunteering by returning the tear off slip at the end of this newsletter. It is not hard and it is a great way to meet teachers and students. The children are very polite and appreciate having volunteers serve them. Working in the canteen only involves serving the children for 20 minutes at recess and 40 minutes at lunch (with minimum help cleaning up). If you can only help at lunch time, that is still extremely helpful.

If you cannot help out by serving in the canteen, you can help by donating products. Eg: carrots, capsicums, onions cucumbers, tomatoes, avocados, cherry tomatoes, corn kernels (frozen or tin), tins of crushed tomatoes, milo, sugar, grated cheese, BBQ sauce, tomato pasta sauce or tomato sauce.
